Student Name:_____ **Parent Signature:**_____

DUE ON: Tuesday, May 1st

Homework assignments include a variety of literacy and math activities to reinforce what students are learning in class. Please log your child's practice for the activities below and total each activity on the back below the goal. Here is a suggested guideline to keep them on track, but feel free to work with your child as it fits best with your family's schedule. Homework Logs are due the first school day of the following month so students have the entire month to work toward their goals. ***Note:*** *Reflex Math will begin in October.*
